

ENGAGEMENT LETTER

This letter is to confirm and specify the terms of our engagement with **you** and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2021 federal and requested state income tax returns from information that you will provide to us. We will not audit or otherwise verify the data you submit, although it may be necessary to request clarification of some of the information. We have provided you with an organizer to guide you in gathering the necessary information. Your use of the organizer will assist in keeping pertinent information from being overlooked.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks, and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. However, should we find any irregularities or unusual items we will bring them to your attention. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns. If we discover any errors or omissions on a prior year return we will bring that to your attention.

The filing deadline for the tax return is April 15, 2022. To ensure your return is filed by the deadline, please have all your information to us by March 19, 2022. If an extension of the time is required, any tax due with this return must be paid with that extension. Any amounts not paid by the filing deadline of April 15, 2022, may be subject to interest and late payment penalties.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such governmental tax examination, we will be available, upon request, to represent **you** under a separate engagement letter representation.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. We may require a retainer to be paid when **you** submit your 2021 data to us. All invoices are due and payable upon presentation.

Abacus CPAs, LLC has my permission to obtain information regarding my income and expenses in the form of settlement(s), 1099(s), and W2(s). I understand the contract company(s) may require additional permissions from me in order for them to share this information with Abacus CPAs, LLC.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our office. However, if there are other tax returns **you** expect us to prepare, such as gift, property, local, or school district, please inform us by noting so just below your signature at the end of the returned copy of this letter.

We want to express our appreciation for this opportunity to work with **you**.

Very truly yours,
